### Neck, N. C., as Second Class Matter. THURSDAY, JUNE 4, 1896.

ONLY ONCE MORE.

the heading will be changed to THE for several weeks in succession, but we visitors, but only a few ladies out. keep it before our readers in order that change.

inquiries about the change from differ- are doing many things that State instient parts of the State, and we think that the change is well understood; and higher education. He said higher edwe have met quite a number who have neation is either an endowment or a said to us they like the change. The Democratic Mayor of one of the best tayored to get a larger salary for the towns in the State has written us a personal letter in which he commends us in the change contemplated.

We hope to please our readers in i and do no violence to our own interest, and at the same time avoid some confusion of names that we meet in the in the State named "The Democrat." And then we shall be under the head dress of our first love for journalism.

## LET THEM BE TRUE MEN.

makes observations enough to distinguish between the days of the week that there is great unrest amongst the people of North Carolina. The cause of this unrest or the good reasons for it, we do not now discuss. But we wish to call the attention of the Democratic leaders, if we have any, to some simple facts.

will have a hard fight to win this year

all?-depends upon the nominations that shall be made in the county and State conventions. Many good men ingly vote the Democratic ticket again with the proper appreciation of their return and the proper candidates for them to return to.

In a word, let it be understood that ing campaign, we must nominate for the greatest banquet the association has the various offices, county and State, and most that a real man means.

again vote for a man whom I know to be a rascal, I don't care what party nomi-

not express it as clearly as he did. So president of the Alumni Association. the Democratic party will do well to have an eye to nominating in every case good men whose private lives and characters are above reproach, as well as their public record, if they have any theses.

We would not presume to prescribe just what shall be the qualifications of men who should be nominated for the men that can be selected.

its original significance white. It derives its meaning from Latin candidus, which means "white," and the signifi- ham; "The Ideal Life," J. N. Tolar, tions of examining engineers. I learn John T House, 250 acres placy cance was that the man who offered Robeson county; "The Oppressed Mass- from official sources that there are aphimself for the suffrage of his fellows es," I. M. Meekins, Tyrrell county was clear of stains. Let it be so now and the results will be far more satisfactory.
